“ *The only memory I have of you is that of a strong, quiet & gentle man yet sweet and passionately loved and highly regarded by his daughter.*

“ *My mom just informed me of Mr. McCranie,s passing. As next door neighbors during my childhood, I always had have fond memories of this tall, friendly man. He was what I term a "true gentleman" that only had kind things to say to the neighborhood kids...even though we probably needed a few harsh ones from time to time. You and Jan will be in my prayers.*

“ Mrs. Nona and Jan,
Please know that you are in our prayers. Mr. McCranie was always such a positive person and loved by all that knew him. When I think of Mr. McCranie I think of 1 Corinthians 13:4&5. "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs." I always seen Mr. McCranie as just that kind of person. May God's peace surround you at this time with the comfort of knowing that your husband and father now rejoice with the Father.
Our love, John & Andrea

“ Mrs. McCranie, I am so sorry about your husband. We met you two weeks ago today at Dr. Little's office. Ed is Paula Smith's brother, and you have sent us cards when Ed was so sick before and we appreciate them very much. May God bless you and your family in your loss.

“ We will always cherish memory of Mr. John. He was a wonderful person who was an exemplary role model. He was kind, loving, gentle, successful, and all the things one could only hope to be. He and "Miss" Nona will always be very special to us. They are the best friends our aunt and uncle have ever had. We love them dearly. We are made better by the fact that they have been a part of our lives. Mr. John will live on through those of us whose lives he touched. We are truly blessed by having known and loved him.

“ I worked with John for a number of years @ Wallace Chevbrolet, I was in the Parts Dept. We had a good laugh when John broke his leg. Loved John and anyone that knew him did also.
