“ To all the family - you have my deepest sympathy for the loss of your husband, father, grandfather and friend.

For Stacey - you are one of my dearest friends and one of the kindest people I have ever known. Even though I never got to know your father he must have been a wonderful man to have had a daughter as beautiful (inside and out) as you are. You are in my prayers and my wish for you is to always have wonderful memories of your beloved father.

“ Though the certainty of death and the uncertainty of life are ever with us, each brings new sorrow and humbles us in our struggle for glory. As you pause to reflect and consider the life and work of your loved one, always remember their dedication to life, and gain inspiration and encouragement from them to overcome your trials and tribulations.

I know that you will be brave in your sorrow as he would have wanted you to be. May the love you feel for the one you lost lessen your sorrow, and may God continue to comfort and strengthen you as the days go on. You have my deepest sympathy.
