“ Uncle John, Aunt Frances, John, and Mark have such special places in my heart, so important to my development, my past. They meant fun, and love, and made me feel special.

Uncle John was always a calm, quiet, gentle presence, always a ready smile.

I loved him.

“ During the years I've known Mr.& Mrs. Miller, we've seen happy times and sad times. Today is extremely sad! My heart goes out to the entire Miller family in this time of unbearable loss. Mr. Miller was a warm, loving person, always willing to help out others in need. I will always remember the times of laughter, coffee & brownies in the morning, lunch on Fridays & crunch time during the holidays. We have lost a wonderful man today, but his memory will live on in all of us! I love you guys!

“ Dear family,
Both of my girls, Lori & Jennifer, have expressed to me today how heavy their hearts are in the loss of your dear husband and father. They have both told me they feel as though their own father is gone. That says alot about John. Please know that many share your grief today and pray that our loving Father will sustain all of you at this time.
