“ My deepest sympathies in the loss of Sammy! I worked at the Albany Herald when Sammy worked at Economy Drugs and we would visit often when I was in the drug store. What a super good guy Sammy was. Although I haven't seen him in several years, I always wondered about my friend. Many prayers for your family. RIP Sammy!

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why someone left this earth so soon, or why they left before we were ready to say good-bye, but little by little, we begin to remember not just that they died, but that they lived. And that their life gave us memories too beautiful to forget. It is my prayer that the love of God enfolds you and your family during your difficult times and he helps you heal with the passage of time. Sammy was a great person and I was honored to call him my friend. My family will be remembering each of you in our thoughts and prayers.*
