“ Susan and Mark,
I am very sorry to read about your son passing away.
I also lost my only child (son) in April. I know what you are going thru and feel your pain. Susan, I worked with Mark "years ago" at Moore Business forms (in the good ole days). Take care.

“ John was my son. John was my friend. He was a precious man. He left the world a better place, than it was when he came. I was truly astounded at the number of lives he touched. So many people loved him. I didn't know. I know he is resting now. His work here was done. He is with his Lord. I miss you John. I will forever be proud to call you my son, my friend. I will see you again Big John. I Love You.

“ I met John back in 92, when I had about 60 days clean. He took me under his wing and introduced me to road recovery. I was introduced to people who have withstood the test of time in Narcotics Anonymous .He was with me at my first GRSCNA and we shared many great memories. My recovery and gratitude for this fellowship is a reflection of the love he and others have shared with me . John, I will keep you in my heart until we meet again . May god bless and keep Johns family and friends . All my heart; Rob L

“ I met John in Narcotics Anonymous and was at his first meeting. I spent many hours sharing with John until I moved away in 1999. He was very serious about his recovery and gave back to the program through his service work. John's passion for Narcotics Anonymous has inspired many to change thier lives and he will be greatly missed. We love you John!!!

“ Please know that our thoughts and prayers are with you all. One of my favorite sayings is "When you were born, you cried and the world rejoiced. Live your life so that when you die, the world cries and you rejoice." It seems that John certainly lived and died with this legacy. Praise God for his testimony.

“ I met John when he was about 19 years old, and last saw him about two weeks ago. I will never forget him as long as I live. People like John who get involved in NA service are sitting up thier with the Saints in my book. I just wanted to thank his family, and may God bless you all.

“ We at the Quickie Restaurant would like to send our sympathy to the family. John loved coming in the Quickie. We enjoyed talking to him and him being in our presence. He was a very bright person. He will be missed sitting at the counter everyday.

“ John is my first grandson, a loveable Christian young man whose heart was filled with love for his family, friends and Jesus. He has now passed from this earth to the wonderful undescrible presence of God.
