“ To, Gail and her extended family, my heart goes out to you all. Just take it one day at a time. I can only imagine the pain and sorrow you have experienced at the loss of your son. We all know he is in a better place now with his Dad in heaven and at peace. May Gods Blessing be with you. You are in my prayers. Teddie and Don Lee. Friends of Gail and Pee Wee.

“ I remember Johnny from childhood and school. He was a great guy with a quick smile and a sense of humor no matter what came his way. I am shocked he is gone from this world for his family's sake, but he is with the Lord and his dad in eternal peace and happiness. May God's blessings and peace be with the White family during this difficult time.

“ So sorry to hear about Johnny's passing. So hard to believe. I played football with Johnny starting in the 6th or 7th grade. He was a good guy, and I'm sure, a good man. Except for the loss of hair, the picture looks just like he did in high school. Hard to believe he was so sick. My deepest sympathy goes out to his entire family, but especially to his mom. Mr and Mrs White were like surrogate parents to all us guys. Sweetest folks in the world. God bless them all and His Peace to all the family.

“ I'd like to post for the 1969 AHS football team. I'm not quite ready to believe Johnny isn't still with us. We had each other for three years as close as you can be with some adversity and a whole lot of growing up together. I know Johnny fought the big C hard and I am glad he is at rest after that. I will speak for all of us and hope his family can see the legacy he left in each of us. He made us better then and it is still with each and every one of us.

“ I never really had heroes growing up...but Johnny was as close as it came I guess. At times, when I was a kid, it seemed like he was one of the few people that believed in me. I wish I had taken the time to tell him so...

“ Ms Gail:

Sandy just called me and told me of Johnny's passing. My prayers are with you and your family during this difficult time. Every time I pass through Cumming I think of Johnny and the fun we used to have playing on the church softball team. I always looked up to Pee Wee and Johnny as they helped us younger kids on the team to have fun and show a Christian attitude in everything that we did. I pray that God will bless you and keep you in his loving arms during the long days ahead.

“ *My thoughts and prayers go out to Gail and the White family. Johnny and I worked at Winn-Dixie back in the 70's, along with his mother. Johnny always had a smile on his face and was a friend to everyone he came in contact with. I know his dad has welcomed him into heaven with open arms and is now free of pain. Love You Gail!!*

“ *Mama Gail and Family,*

Words have little meaning at a time like this, but they can express the hope that tomorrow will bring you the comfort and strength God provides for His children. Know that each of you are in my thoughts and prayers during your time of sorrow.

Johnny was always a mild mannered, sweet young man, and a friend to all.

Fond memories I hold of Johnny throughout our school years. On and around the many softball fields our bats, balls and gloves touched; especially week nights at Highland Ball Fields.

Love to you all,

“ *Dear Ms Gail,*

Pam, Emily, and I were so sorry to hear about Johnny. We wanted you to know we love you and are keeping you in our prayers. The Apostle Paul promises our present sufferings are not worth comparing to the glory that will be revealed in us. We can look forward to the hope of eternal life and know that in Christ, we are reunited with our loved ones.

Love You,
