“ *Tracy, Lynn, I never was able to meet your Father. But from talking with you all and your Mom. He will be missed. Tracy I believe you were correct when you said that you thought Daddy was waiting to see all who loved him before he passes to the Heavens up and above. He was waiting for his Grand daughter Amber coming from College, his Grandson Eric in the United States Marine Corps to come from Okinawa, Japan to see him. The date of his passing was the 238TH Birthday of the Marine Corps. It was ironic that he passed on that date. Your Daddy received his wishes. Now you can rest, knowing he has no more pain and suffering. He is looking down on your all with smiles and laughters and enjoying of all the good times you had together. Our sympathys and prays go out to you all. RIP Joseph Wayne Harris*
