“ I will treasure the memories when we were close, Long before you were influenced by the Jarrett/Nettles Party.

Love You ALWAYS!!!

JP Bridges

Remember when I sprained my little finger of my writing hand and had to dictate my homework to you to put it on paper?

Daddy I never turned my back on you---you had others in your face who

brainwashed you against me.

Below where it states it is ok for the family to contact me---I'm the only Blood kin left.
