“ Karol and David,

John and I are so sorry we could not be with you all this weekend as we both had to work. I have so many fond memories of Aunt Josey. Even after we lost Papa she was such a part of our lives. She never missed a birthday or a chance to tell me she put the photo Christmas card on her refrigerator :) She was truly a special lady. I know Mom and Aunt Kay so enjoyed and looked forward to their visits were her. She will certainly be missed. You are all in our thoughts and prayers, and I hope to see you soon.

Much love,

Julie and John Sarris

“ Jo came in my sunday school class many years ago and we have been friends ever since. She and Fenn were very generous with their grapes and I enjoyed going by to visit with them and Ace to get grapes they shared with me. She and Fenn are missed!!!

“ *David and Carol,*

You are in my thoughts and prayers during this time. I have many fond memories of your mother. She and I had many "chats" on her front porch as a kid. Over the years I have stayed in touch with her and we still had our "chats". I will always remember her and will miss her very much.
