“ *Eddie and Carol Hutchens send our love and prayers to Joyce's family. What a precious lady was Joyce; her memory and that of husband, Jimmy, will always be etched in our minds as they were dear friends. May God bless you, her family, and let the hope of Eternal Life bring much comfort to each of you.*

“ *Dill Family, Sorry for your loss, having lost a parent also I know one is never ready to lose their mother or father. Our families were friends back in the day, ok, lets say 50 years ago, my parents are Frank & Lallie Jones. Rick and my sister Ledell were about the same age with me being 4 years behind them. I remember your parents well and having fun at the Stanberry's pool on the creek. Our parents are part of the greatest generation and we will miss them until we meet again. God Bless you and yours, Stanley Jones*

“ *I have two sweet memories of her:*

1. On one of my visits to Georgia to visit Wendy and Jon, we went over to Joyce's house. She came up to me grinning and very gleefully and enthusiastically told me there was a house just down the street for sale and I should buy it and come live there near her.

:)

2. At Wendy and Jon's wedding, she and I grabbed hands in a circle surrounding Jon and started dancing in a circle around him. Lots of fun that day.
