“ *Joyce was my first cousin and was raised by our Grandparents George P and Mary C Morrison on their farm in Mason Cty WV, as a young girl she visited us often in the Charleston area she was like a sister to Bro's Bill, John and myself. After their move to Albany visits weren't as frequent but I kept in touch with her, sometimes talking for hours at a time. She was a kind and gentle soul and was considered the Matriarch of all our cousins. I loved her then, I love her now, and will miss her always. She's been reunited with all that's passed before us, resting in God's loving arms. With Deepest Sympathy to Mary and Carol you're cousin Jim Anderson in Belle WV*
