“ *My condolences to all who loved Joye. I've only seen her at reunions since high school, but she was a beautiful girl and friend when we were teenagers. I'll always remember her gorgeous smile when I think of her. Everyone loved her, but she only had eyes for her great love, Newman.*

“ *Dear family:
I remember, Joye, so fondly, as I worked with them when they bought their home on Dover. Joye was one of the dearest folks I ever met. She and her sweet husband so loved the Lord and made that known to everyone they came in contact with. So sorry I did not know that Joye had died, and I am so sad about that.....Prayers for her sweet family that you can cling to the memories of your mother and grandmother with all your love.*
