“ *My sweet, sweet Granddaddy. What a light you were all the days of my life. I hope that I told you enough how much I love you. I am so thankful to you for showing me the love of Christ so early in my life. During the rough last couple of weeks, I have seen the light that you shone on every person you met. You touched so many lives in so many ways. May the memory of you live long and vibrantly in the hearts of all that knew you. I know you are walking side by side with Jesus, hearing and seeing clearly, and walking with no pain!! I love you forever.*

“ *To the family of Mr. J.T.: I will always have fond memories of childhood days spent at the Barwick house, riding my bicycle to Barwick's store for that loaf of bread and seeing Mr. J.T. drive the school bus. I know you will all miss him very much.*

“ Mr. Barwick has and always will have a special place in my heart. He was like my grand daddy. I lost mine at 13 and looked up to Mr. Barwick. I loved the time I spent working with him after school and during the summer while I was growing up. I learned alot from him that has been very useful in my life. Mr. Barwick was always doing something outside. He never slowed down. I always tried to stop by after I moved out of the neighborhood. I am honored and glad to have known him. My thoughts and prayers are with all of you at this time of sadness. Mr. Barwick will be greatly missed.
