“ Sue and family - I am saddened by the loss of your mother. She has been a neighbor since we moved back to Albany to help my mother whose health was failing (Laura Butler). I will always remember the day that she walked over to our house to introduce herself and asked if she could look at the inside of our mobile home. I told her yes and she came in and looked and then sat to visit with us for a while. Before she fell and broke her hip she would come over on Saturday afternoons to sit and visit with us. We enjoyed those visited and will miss her greatly.

The most precious memory I have is when she would bring some mail (usually insurance bills) over and say Patsy, look a here - can you explain this me me.

May the Love of God will you all during this time in you life and may He carry through this valley in your lives.

*Sincerely,
Patsy and Johnnie Farr*
