“ Aunt Nita and family,

Granny was a very special person and will be greatly missed. We know that she could be very boisterous and cruel sometimes, but she was a sweet and loving lady. Cherish the memories and be there for each other. God will see you through this difficult time. She is at peace and probably already arguing with Papa. We loved her so very much. You will never know what it meant to me to have her love Sara Grace so much. Thank you for sharing her with us. You know where I am should you all need anything. We love you so much,

Mary Ann, Clayton, and Sara Grace
