I was so happy to know Judy for these past several years and wish we'd lived closer together so we could have visited much more. She brought such happiness to my friend of so many years, Jerry, and won an instant place in my heart because of that. She was a kind, generous, wonderful lady and I know she will be missed so much by all who knew and loved her. Sending prayers to Jerry and all the family in this most difficult time. Rest in peace, sweet Judy. Love, Sandy
