“ *Ms. Julie was a wonderful friend to my grandmother, Ruth Ortega. She called my grandmother each day at 8am to check on her. My grandmother treasured her friendship. Thanks for sharing Ms. Julie with our family.*

“ Julie was one of my mother's best friends especially during my father's long battle with Alzheimer's. She was always there when mother needed her. She would go with me to visit my parents, when my father was in the VA Hospital in AL.

My family and I were not able to attend visitation, because we were at the nursing home with my mother (Ruth Ortega).

Words cannot express how much your mother and grandmother meant to my mother.

My God bless your family during this difficult time.

With love, Ann Griffin & family

“ Mr. Dix, Steve, Scott, Timothy, & Samantha:

I was so sorry to read in the paper about your loss. I wanted to come to visitation but had to take Flagg to the hospital with a minor emergency. I know the past few years have been difficult but it is always sad to lose one you love. Your Mom & Grandmother left a legacy few leave. She shared her secrets on how to shoot the b-ball from the outside. I will be thinking about all of you.

Frank Brown
