“ *To my Grandmother,*

She was the most precious gift I ever had and I am going to miss her more than words can ever be spoken. I loved her with all my heart and so did my children, her great-grandchildren Ashlee, Alana, and Aiden. I had the priviledge of being the oldest grandchild and she always took care of me. It broke my heart that I could not be there for her funeral but I know she knows we would have been if able. I will miss you granny and I love you forever and always.

Julie

PS. I know that now you are with Da and Mr. C so give them big hugs and kisses from me and I will see you again one day.

“ Genie,
My, how the years have passed. I remember your mother taking us to Albany so many times to the movie, and she was always so patient with us.

The times that I had in Leesburg was some of the best in my life.

I am sure that she will be missed by so many people.

Mothers sends her sympathy also.

Love, Ethelyn

“ Dear Wayne, Wilma & Families of Julia Churchwell. I was saddened to hear of the passing of this very fine lady. I am a former CNA of Crisp Regional Nursing and I so enjoyed her as my resident, she made us laugh with her funny antics, but she surely kept us on our toes. I know she will be missed by the other CNA's especially Ruby Singleton whom Ms. Julia loved....

“ We were sad today to read about Nell's death. We lost touch with her through the years but will always remember her from when she lived in Waycross. She was such a good friend to John's mother (Eunice Driesbaugh). I called John's sister, Cheryl Knox Frazier (Atlanta) and read her the write-up from the Waycross paper. She also wants to send her sympathy. We share your loss. She was a special lady. The John Knox Family
