“ *Patti & Chesley,
Kay & I had the loveliest visit with your mom last summer. We stopped by to express our appreciation to her for all the kindness she had expressed to my mother over the years. The time with her was grand and she just glowed with happiness and pride in being able to share in your lives and in your children's lives. We are delighted to have seen her at such a happy time. She was a great lady.

“ *Patty:*
So sorry to hear of your mother's death. Your mother and father were special folks. We always enjoyed chatting about the 'early days at C&S'.....I know you will miss your mom, but know those millions of memories are yours for the keeping. Know our thoughts and prayers go with you and your family.
