“ Randy - I am so sorry to learn of your mom's passing. Please know that Donna & I are thinking of you and your family during this time. I can still remember all of the laughter around your house and your mom's keen sense of humor and the great pride she felt for you and Shelly. Your family and friendship is one of the great things I carry with me when I recall growing up in Albany. Your mom and your dad were very special people and I will never forget them and the kindness they always showed me as your friend.

*With deepest sympathies,
Mark.*

“ I am so sad to hear about Mrs. June. I grew up at Covenant, and she was always there with a smile and a hug. I will always remember her kindness. My husband, Byrd, also grew up at Covenant and has the same wonderful memories of Mrs. June. Although we had not seen her in a while, we will greatly miss her. Our thoughts and prayers are with you during this difficult time.

“ Randy,
Your mother was truly a very special lady that will be missed. We have the fondest of memories of her and your Dad on our visits to your Albany. Her visits more recently during the Christmas seasons made that time of year all the more special for our family. Aunt June was, and will ever be, very special to our family. She has touched us in a way that was truly unique to her and we are thankful. Our thoughts and prayers will be with you and your family.

I cannot remember going to the mall for YEARS that I didn't bump into June.....we always had a fun chat because she loved life to the fullest. “ Randy, Jenny, Carolyn, and Cole know that you all are in our thoughts and prayers. We have been in Montgomery this weekend, but we will see you all tomorrow. Randy, I'll never forget your mama's double-stuffed pork chops she cooked for the boys one night. They were wonderful. We love you all very much!
