“ I worked with Karen for a couple of years at Phoebe Putney Hospital. She was one of the most encouraging, kind and compassionate individuals that I've ever worked with. She was very resourceful and always willing to share her time, talents, and resources with others to enhance their professional growth and development. Karen was very meticulous and thorough. I admired those qualities in her. We both had spouses in law enforcement. My husband and I relocated to Macon 2 + years ago. On numerous occasions during our transition, Karen and Phil told us to call them if we needed their assistance in finding employment for my husband in law enforcement in Central Georgia. Karen's sweet, sweet spirit will truly be missed by the many lives that she touched on her earthly journey. May our sister rest in peace with the Father. My family and I will continue to lift your family up in prayer. May the word of God sustain you during this difficult time. May you find peace in the many beautiful memories shared with our beloved sister and brother, Karen and Phil. To God be the glory for their lives and the legacy of their earthly season.

“ Charles and Leigh Ann,

We just heard that Karen is now with the Lord. We're so thankful that she and Phil came to visit us--sorry we didn't have more time to know her.

Your family is ALL so special to us and we will be lifting you all to the Lord in prayer during this time of loss.

We believe Karen was blessed to have been a part of your family and from all we've heard about her she blessed so many lives.

May God give you peace and strength and comfort as only He can do.

“ Karen was one of the best friends I ever had. There were many times in the last 20 years that our meetings at Chili's saved my sanity. I was so thrilled that she had the chance to be with Phil and find that love and happiness. She was a fine person, great friend and it was an honor to know her.
