“ Karen and I met and became friends when we very young girls growing up in Columbus Georgia and we have remained close throughout the years. I babysat for her and her siblings and they were all like my brothers and sisters. Karen managed to overcome many obstacles in her life but this time something happened that I don't understand. Her death has left me feeling very sad for I will miss my precious friend and confident more than words could ever say. God Bless you Karen. You are safe now in Heaven now where your Soul is finally at peace. I love you and will never forget you. Faye
