“ *I will always remember Karen as an independent fun-loving woman with an adventurous spirit.....*

I met Karen while working at the Marine Corps Logistics Base Public Affairs Office.....she may have been a civilian but she was right at home among the military.....every single day she would drive herself to work (I will never forget her Chevy Nova) and how she managed to get around.....

We worked together for about three years before I departed for an assignment in California.....She will always be in my memories as a wonderful person who had a good and compassionate heart.....

May you rest in peace Karen.

“ Karen was a great friend at co-worker at Forces Command Public Affairs, 1991-1994. She was a true Southern lady. I used to tease her and call her "Gertrude" and she would hit me right back, calling me "Beauregard." Karen was always so cheerful, upbeat, positive and fun. She will be greatly missed, but is in God's hands now, walking with the angels.

“ I did not know Karen well; actually we only spoke once or twice. However, every time I passed her in the Headquarters, she had a smile on her face and a positive attitude. It kind of uplifted me if you can understand that. In the workplace where people are sometimes unhappy and difficult, she was a breathe of fresh air. She will be missed - by those that knew her and those that only spoke in passing.

“ To Karen's family, I send you heartfelt sympathy for your loss. I hold many memories of Karen as a friend and classmate from kindergarten to high school graduation and a high school reunion. What a cheerful smile and sparkling eyes she had for us all. She was a strong, intelligent person who overcame her physical difficulties to lead a very accomplished and full life. We need more souls like her on this earth.

“ I recently introduced myself to Karen and her mother at the local BP--Karen lived a few houses down the street from me. She knew my son and even gave him rides to work every now and then. Karen was a very kind and giving person and I know she will be missed. My prayers are with her family.

“ I had the privilege of working with Karen almost daily throughout early 2002 when I served as the Operations Supervisor of the Army Ground Forces Band. Karen was my POC in FORSCOM PAO. My job kept me in daily contact with Karen for almost 6 months, and she was always professional, personable, and extremely helpfull. She was a truly nice person who touched many peoples lives through her work. She will be deeply missed.

“ I saw Ms. Lundy several days a week as a came and went from my
duties in the FORSCOM G6. Mostly it was just passing her as she
was getting out of her car to go in the building, but as I passed her, I
always looked up to her and thought to myself what a wonderfully
"Blessed" woman she was. Many days she gave me strength to get
through my own day and for that I will miss her very much.

“ I worked with Karen at US Army Forces Command just prior to
being deployed. I enjoyed her fun sense of humor and love of life. I
considered her my friend and will truly miss her smiling face. May
God give her family and friends peace and comfort during this time
of grief and a glorious reunion in heaven one day.
