“ *I am so sorry I wasn't aware of Kate Barney's passing until after the fact. I wish I could give Emily a hug to convey my sympathy. Having known Kate Barney for nearly 40 years, I can say that I never heard her utter a cross word. She was a kind sweet lady. I used to see her in the grocery store every Saturday with her daughter and son-in-law and even though I don't think she ever remembered who I was, she was still a gracious lady when we would meet. She will be missed.*

“ *Dear Emily and Jimmy,
I am sorry I wasn't aware of Ms. Barney's passing until today. I have so many loving memories of her. I always enjoyed her company Sunday mornings on our way to church. She was like a Grandmother to Justin. I will always treasure my memories of her.
With love, Uschi*

“ I was so sorry to hear about Kate. She was a pleasure to know...always smiling. I think she enjoyed being a "Senior Friend" and we are all going to miss her!

“ Dear Emily and Jimmy,
Please know that our thoughts and prayers are with you during this time of sadness. Ms. Barney meant so much to each member of our family and we always enjoyed her stories. Thanks for the many fond memories that we have of Gillionville and our "potluck" suppers!
