“ *Susan, Becky and Family,*

Beside the word "lady" in the dictionary should be a picture of Mrs. Kate - for there was not a more true southern LADY than her in so many ways! My prayers and thoughts are with you today as you celebrate her life. Praying wonderful memories of her and your dad will comfort you during this time of loss.

My Dearest Family, Words seem so inadequate at a time like this. I so loved your Mom! All the years of teaching together at AJHS, serving together in Delta Kappa Gamma, working together at Sherwood, and ending up as neighbors. She was a true friend and I'll always treasure her friendship. Please know that my love, thoughts, and prayers are with with you all. Carleen
