“ We had a lot of good times growing up together, Kate. I remember the sleepovers and slumber parties at your house. Your mom and dad were so kind. I wish we'd had a chance to reconnect at some point in time- the sad regrets of growing older. Sleep well, dear Kate.

Since childhood I have known Kate. There were always many wonderful & memorable times never forgotten. From spending times at each others house, to riding horses at Carson Park, then to showing horses, (my father, who would pull the trailer & take us to the shows, had a nickname for her) which was Katie Lou. and the Walking Horse Celebration where Kate showed us how to eat soft Georgia peanuts (that was a trip). Kate you will always have a special place in my heart. Love you!!

“ Kate and I grew up together in Paducah KY. We were best of friends as were our parents. We had so many wonderful times at our homes and many more on the lake and at Carson Park where we all rode horses. Kate has left us way too soon , but I know that Lucy and Henry will take wonderful care of her. We will be back on horseback together one day Kate , until we meet again 🙏❤️
