“ *I meet Kitty, back in 1998.
I was her Mother's Nurse Aide I was working with Albany Outreach,

and funny person who loved working in her yards, she loved her
flowers and her dog. She maded me fall in love with water lillies and
she gave me my first set of the lillies and I put them in a childs
swimming pool because I did not have a pond in my yard lke she
has in her and I love, lillies even today, even through I can not find
any around any more.

“ Joe, we were so sorry to hear about Kitty. Eli and I sat with you and Kitty at the breakfast at our 50th reunion. I went all through school with her and always found her to be pleasant and fun to be around. We will miss her.
