“ *Kathy, You may remember me from our high school days. You may not realize it, but our moms (mine was Anne Olson) were good friends when they did water aerobics at the YMCA. My mom spoke highly of your mother. My husband and I were also friends of the Wilmonts. Having lost my mother, I know it is a difficult time you are going through. It helps to remember the happy times as those are the best memories.*

“ To Kathleen's family,
My sincere condolences on the passing of this great woman of God. She was one of my mother's (Eileen Callaway) best friends. They loved their Gideons and after they were widowed, they stayed active together in the Auxilliary...Most of all, I appreciated Kathleen's ministering to Mother when her health was declining. May God Bless you as you remember the good times you had together. She is waiting for you over Jordan. Blessings and Peace, Don Callaway

“ Dear Kathy, Laney & Gene, One of the hardest things you have to do in your life is say goodbye to your Mother. Although we shed tears of sorrow at the separation here just imagine the wonderful tears of joy being wept and the joyous reunion that is happening on the other shore. No words can really comfort you, but please know that our thoughts, prayers and good wishes are always with you.

“ It has been a pleasure to have known Ms. Beck, and to have been her Hearing health care professional. I spoke with her concerning her plans for the new year, and her relationship with the Lord. She told me that decision was made many years ago, and her future was secure in the Lord. We prayed together and shared a glorious time in the Lord. Ms. Beck, told me her one desire was to get closer to the Lord in the new year. She was blessed with a loving care giver, who wept over her in life as well as death. Her precious care giver, Dorothy, came to my office on Monday, to give us a report on Ms. Beck's condition; we prayed and dedicated her spirit into the hands of God. In the spirit I was given a vision by God, of her lying in the hospital bed with a circle of light around her smiling face. Truly, she is at peace in the Masters hands. God bless, keep, and give you peace that surpasses all understanding. Mel Colley/Albany Hearing Aid Center. God Bless You All.
