“ *Dear Beaver Family, loved being a neighbor of Honey & her family for a few years.. After we moved, of course we didn't see each other often but we would run into each other at the beauty shop. Caught up with all the family news & I would get to enjoy that beautiful smile & bubbly personality she always had. Winnie, thanks for the short visit & picture sharing we had recently. To all of you children let me remind you to hold on to your memories & be thankful for the many years you were blessed to have your mother. My love to all of you. I don't get around well but the Beaver plot is near the Blaylock plot so I will visit when Beth & I take Christmas flowers & now soon we will be neighbors again. Sincerely , Nell Blaylock*
