“ *I'm so sorry to hear about Snooky. My heart & prayers go out to you all. I'm just sorry I did not know that she had been in such bad health. Aunt Sis called & told me she had passed away. I remember when I was very small, she would come home from her dancing lessons and would be dancing around and I would copy her. We were living down there at that time. I remember having the German measles and getting sick all over her brand new bed. We lived out in the country on what I called the "cute little farm". I don't believe that house is there anymore & I know it's not country anymore. I'm just sorry we were not any closer than we were, I really don't feel like I knew her, well I didn't after we got grown. Again I'm so sorry for your loss.*
