“ Ms. Katie will be greatly missed by me. Not to long ago, I was a 19 year old in need of a job. She hired me on the spot at the Tax Shop where I worked as a preparer for four seasons. Ms. Katie was very encouraging of my education and aspirations. I will miss her laughter, and her passion for her family. When I first started working at the Tax Shop, I thought that I would not "fit in". Ms. Katie made me extremely comfortable, and welcomed. I learned so much from her and John. I considered them my mentors as I was developing in college. I will always be grateful for the birthdays parties, red lobster, and sharing hot dogs and tea from next door. Thank you Ms. Katie, for teaching me customer service. I enjoyed collecting for you. It made my day to see you proud of me. Gone but never forgotten....
