“ *Bertha I am so sorry for your loss. You and Willard were the husband and wife team that I wanted to be like. You were so loving and kind to me and I did truly appreciate it. I know you to be a strong woman and I know with your belief in God that you will be alright. I will pray for God to give you extra strength to get you through this time. Wish I could have been closer to you. I tried to call you several years ago but could not seem to get in touch with you. Take care my friend. God hold you in His arms.*

“ Dearest Bertha and Family, Willard was very special to me for so many reasons. He was my first official boss as I began my career as a secretary. He was the reason that Glenn and I started attending church, he was a great mentor, and a great friend. I always enjoyed hearing of his great fishing trips and all his community activities, and most of all the family stories. It was very evident that he loved his Lord, family, friends, and community. I know you will miss him so very much and so will all who knew him. My prayers are with you all as you go through this time. May God's peace and comfort be with you all.
