“ *Mrs. Sue,*

One of the best woman I have ever met. My daddy called you his cherished bride and amazing woman. We all miss him " to the moon and back". We are so lucky to still have you to lead our family and could not be more blessed. Daddy was not only an amazing man, but a great father, wonderful grandfather, the best granddad to Jade and an amazing partner for little man. (Can I have him? :) He is constantly watching over little angel growing inside Jill. Daddy was only here for a little but left such great memories. The Busbee's are first at mind. They love you both dearly. I cant wait for the next few chapters of memories and celebrations in his honor and remembrance. Rescue a puppy , cat, ferret or even a starved hound dog that is no longer able to hunt, produce, yet able to love. Do that for our Daddy, Husband, Uncle, etc.

“ We were shocked to hear of Kenny's passing and wish we had known at the time. He was such a kind person and always had a good word. We only saw him now and then and would sometimes go months without meeting, but he always was as friendly as if we'd just been together yesterday.
May God grand you all peace and comfort

“ Dear Sue and family,
Ricky and I are sorry to hear of Ken's passing. What a gentle spirit he had. My favorite Ken memory...he always referred to my Amy as... Amy "Purple"! That would just get off with her...and she always said...no, I'm not. I'm Amy BROWN. Sweet, sweet man. I know that my Mama (Dot Everson) and Kathryn Estes are having quite a conversation about now. Singing in that heavenly choir! Hallelujah!
Prayers for your sweet family. Donna

“ Sue & kids

We have loved you all as family for years. Kenny was as close as a brother to us. We share your sorrow and grieve along with you. We know that he is checking out Heaven with Dean and so many others who have gone on before but it still hurts to lose his company. Our prayers are with you all and please know all you have to do is call if you need anything.
