“ *You may be gone from the world but not from my heart, i thank of you everyday. People always have something negative too say but i know you wouldn't listen just sit their nod your head and laugh at their ignorance. So thats what were doing. We love you. You were a wonderful DAD, i may technically be a step child but too you it didn't matter, i was and am always your daughter. It takes a real man too love a child they didn't have too, and you did it. You tried your best too help any body you could. I know i have a guardian angel now, i was lucky too even have known you and be loved by you. I will you see you again til then i will strive too make you proud. i love and miss you daddy!*

“ When I think of Kenny it will be him on that riding lawnmower mowing grass and having a blast or in the backyard with all the animals just enjoying being with his family. I cant think of one time I have ever asked him to help that he was not there and did more than was expected. He will be missed.

“ I will be praying for the Family..My Husband Frank Christmas passed away in 2011. Back in our younger yrs Kenny was my Husband's best friend. Kenny was probably the only good friend I ever recall my Husband having. He was an awesome friend and I am so sorry to hear that he has passed. I pray that God will be with Diane,Shelby and all the kids and give them the comfort they will need in the days to come.

Luke 12 : 6-7

6.)Are not five sparrows sold for two farthings, and not one of them is forgotten before God?

7.) But even the very hairs of your head are all numbered. Fear not there-fore: ye are of more value than many sparrows.

These verse's brought me peace in my time of sorrow. We are all God's Children and we are most Important in his eye.....Much Love, Sandy Christmas
