“ This is Jim Markert, Albanian by heart, and my Heart goes out to the Sproul family. I just happened to find a podcast on Sheriff Kevin Sproul recently and made me reminisce about a wonderful childhood that I had, in particular, revolving around the Dixie League ballpark behind the Sherwood library. And now, I just found the obituary of Kenny Sproul who always put a smile on my face. Even though I was just a kid, 10 years old, I never saw Kenny with a disability and never treated him differently because his parents and siblings showed him so much love and inclusion. I too, have three sons and have a son with severe Autism. He’s basically a three hundred pound two year old who just turned thirty. Reflecting back, the Sproul family did it right and set the bar high when it comes to raising a young man with a disability. I do my very best to make Nolee’s quality of life the best we can. Yes, named after Nolan Ryan whom I caught in spring training of ‘87 with the Astros. Bless you Sproul family and Kenny. I will never forget Kevin sitting behind home plate, “That home run was good for a Triple Treat at Burger Chef”.

“ Kevin, Keith, Karen, and family,

I was sad to hear about Kenny’s passing and want to express my sympathy. He was a nice, gentle soul our family loved. Many memories living next door and Kenny ringing the doorbell with a football in his hand. He was a good friend and neighbor and so were all of you. Wish I could go to the old Elks and get a steak your dad made again. God bless and comfort you.
