“*And God shall wipe away all tears from their eyes; and there shall be no more deaths, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.*” Rev. 21:4

My thoughts and prayers are with all of you during this difficult time. Kevin was a trainer for the Chattahoochee circuit, and I attended several sessions taught by him. He always greeted me with a smile, kind words and his presence alone made a difference. I knew he was devoted to his family because he talked about you all. He had an impact on many lives and he left a mark that can not be erased.

I know you all probably have a lot of questions, but trust God even when it doesn't make sense. He is the only one who can get you through these times. My heart goes out to all of you.

“ John 14:1-3 (King James Version)

"Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

I met Kevin through work. I was a part of four different training sessions with him during my career. My heart aches for your family. He seemed to be a "sweet spirt." He was a very good trainer/facilitator! I know this last year or so has been full of rain, and I can't imagine how hard it has been to journey through this storm. However, I hope your family finds solace in knowing that God's promises never fail; even when there seems to be "no sunshine." I hope God gives you peace, acceptance, endurance, and strength. Let him lead you through this, and remember to carry every good part and memory of Kevin with you in your hearts. I will be praying for you and your family.

“ Although I haven't seen Kevin but a few times in many years, it was great to re-connect with him on Facebook recently. To Harold, Norma and Bernette - I have great love and respect for each of you and will keep you in my prayers. To this devastated wife and child who I haven't met, my prayer is that in time God will bring healing to your broken hearts.

Kevin was an outstanding human being and he got it honestly - coming from an outstanding family.

Although all of us down here are shocked and surprised at Kevin's death - God is not surprised. He sees from a different perspective and He never lets go. Never. Never.

Love to you all.

“ Dear Kristie and Karoline, Harold and Norma, Bert and Stuart... I cannot imagine the pain and sorrow that you must be experiencing in the wake of Kevin's death, but I know that my heart is breaking for all of you. I have read each of the tributes to Kevin here, and while it has been more than 25 years since I last saw him, I have no doubt that every good thing said about him, and more, is true. I remember what a kind, fine, upstanding young man he was when he left Reynolds. I'm honored to have know him for the short time that I did, and proud to know that he went on to touch so many other lives in a good way. I pray for all of you that God will wrest you in his loving arms and give you comfort and peace.

“ Kevin was a fantastic trainer! I will never forget the time he was teaching us CPR here at Calhoun and I was having a problem trying to figure out where I was suppose to place my hands to give compressions and he showed me where.....I made the comment of how I was going to have a spot tattooed on my chest that says "pess here" He got so red in the face and we had a good laugh on that. We have lost a good trainer and a good person. I am proud that I was able to meet him and be trained by him. May God gather all of Kevin's family and friends close and comfort us all at this time.

“ To all Kevins' loved ones...My heart simply breaks for the tragedy Kevin endured and now the tragedy you, his family, must endure. Please know my prayers are with each and every one of you. I did not know Kevin real well, however, my baby sister, Holli Braden, worked with him daily and spoke of him so very often that I felt as if I knew him really well, too. I do know he was a wonderful, loving, kind and upstanding person, or my sister wouldn't have thought so highly of him. Kevin will be missed and always loved by the entire GDC family. May God be with each and everyone of you. Especially little Karoline, as my baby sister used to joke with him when he was on "Karoline Time". He loved his family very much. God Bless you!

My thoughts and prayers are with all of you during this sad and difficult time. I have known Kevin for years and he always greeted me with a smile and kind words. As everyone knows he also had to brag a little about his little girl , Karoline and wife, Kristie. You could tell he was a devoted family man. He was a joy to be around and will be truly missed. God has given him peace and his spirit and memories will be with you forever. God Bless and keep each of you as you deal with your sorrow.

“*Kristie and Karoline,*
To know Kevin was also to know Kristie and Karoline. He was definitely a devoted husband and father. We all knew him as a co-worker and GDC Trainer but his love for his family was so evident in his work.. “ Krisite and Karoline,

We pray that GOD will give you strength, comfort and peace. Kevin was not only a co-worker but a friend to my husband and myself. I don't believe I have ever met anyone with as much kindness and gentleness as he exhibited. He always brought a smile to the faces of those he encountered. We shared many conversations about his beautiful wife and daughter and what a joy the two of you brought into his life and the excitement of what was yet to come. We will continue to keep your family in my thoughts and prayers in the days to come.
