“ *Marcia and Kim's family,*

I was so sorry to hear about Kim. I haven't seen her since we were kids. Such fun jumping on your trampoline and going to limesink. She was so full of life and fun loving back then and I am sure she grew up to be the same. The Pitts family is thinking of you and sending our prayers.

“ I am still in shock that she is gone. Kim was one of my best friends in high school and for years after...I am so sad I did not make the time to be in her life more. She is a wonderfully sweet, caring and loving person. I'll never forget her red pinto! And that she had the biggest crush on my brother! May she rest in peace and look down on us all from heaven!

My sincerest condolences to her family. Brook especially. I know Brook doesn't remember me as she was only a toddler when Kim and I lost touch the first time. However, I do know the sun rose and set for Kim with Brook. God bless you all.

“ Kim and I go way back. We lost touch a few years ago but I still knew she was a true friend. A very special woman friend mother and a true survivor.

I am truly saddened by her passing and know she leaves a big hole in many hearts.

I am praying for you that god's peace and comfort surround your days to come.

I can say Kim was a friend that will inspire people years after she is gone.

I remember when Brooke was born what a special girl she is. Hard to believe she is all grown up. Brooke I pray a special prayer for you. Your mom was the best! She was a perfect picture of a true mom!

Much love and prayers to you all, Melanie

“ Mrs. Kim was a very special lady who touch so many people. She was a great friend to my mother, Vicky Jones, and I was so honor to have gotten to meet her. My mother always spoke so highly of Kim and Jack Rabbit (Keith) and I certainly see why. I would like her family to know that she is in my thoughts and prayers as well as them. In the coming days it will be hard and you will have questions, but know this, she is in a better place and you all will get to see her again. I am just thankful to have met her and her relationship with my mother.

“ I will always remember the great times we had in high school and going to the skating rink on Friday and Saturday nights. It was a huge production! Imagine four teenage girls in one bedroom trying to getting hair, makeup, and dressed while listening to the radio in anticipation of a great night of skating. We always had a blast! My thoughts and prayers are with you the family in this time of your sorrow.

“ Keith and family,
Please know that I am thinking of you and praying for you today. I loved Kim so much and we had some wonderful times at the Bank. She is in a much better place today. I'll be at the Services tomorrow, but I probably won't get to see you. May God bless you Keith. I lost my husband 5 years ago, so I know what you're going through. Just remember that Kim loves you very much. Love, Wilma Brickle
