“ *I have so many fond memories of Louise. One of my favorites was when I was working during the summer painting tanks close to their home. On those hot GA summer days along about 3 I was ready 4 a break. Ms Louise would always have some Ice cold sweet tea ready and would catch me up on her soap opera that she liked Another World. That dog gone story line moved so slow that you could miss a few days and she could catch me up in about 2 minutes, but she loved it and I loved her telling me about it. Make no mistake about it Louise loved her Don and if he was late coming home for lunch she would call the office looking for him. In my mental book of life's memories Louise will be a colorful character that I will always think foundly of. Rest in peace Louise.*

*My deepest sympathy to Don and family. Don she would probably tell you that there is not another one like her so dont bother to go looking!*
