“ I was so sad to hear about Mr. Larry's passing. I knew him from his stepson Greg and he was always very kind to me. I remember him as always coming back from a fishing trip and he could clean a fish in 5 seconds flat! Please know that I'm keeping him and his family in my thoughts and prayers.

“ I was so saddened to hear of your loss. Larry was a great friend & work colleague at Lee Co. We always looked forward to his visits everyday. Just hearing about his hunting & fishing adventures intrigued me. Yep, Larry & the good Lord are at a good fishing hole right now, swapping stories. Heaven will be richer with his presence. My prayers are with you & your family.

“ Although I only had the pleasure of encountering Mr. Larry about a half dozen times, I knew him to be a man of great character as so well stated by his son Chris. And I knew this through his son, and my brother Paul. The bible teaches that a tree is known by the fruit it bears. And I jsut would like to thank Mr. Larry for providing good fruit in the form of my brother and one of my very best friends in the world..Paul!. May God forever bless the Guilbeau family!!!
