“ Larry was my brother from another mother, he was Emma's granddaddy and a man I was Blessed to call my friend. My little Emma loved hearing her granddaddy driving the tractor around the park and would drag me across the lots to see him. When he would drive around in his little blue car and he opened the door she would try and get in. Larry always had a smile on his face and he loved dropping his top teeth to get a reaction from you. The last 14 months that Emma and I got to know him made our lives so much better you always felt his love. I had fun in the mornings when we would sit at the picnic table while he and Carol had their coffee razing him when he would make his cra cra remarks about my sister (fro another mother and Emma's Nana). Little Emma has been very upset with me because she has not been able to see her granddaddy. However, she knows he is watching over all of us. When I came back from my long trip last July he had Happy Birthday balloons all over my camper and a sign welcoming Emma and I back home. I still have a couple of the balloons left on my camper and the will stay there. Alabama College football has a GREAT fan watching over them as he watches over us. Thank you Larry for letting me know you and your family Carol, Bubba, Sissy, Lil T, Sammy, Big T, Bether, Cristina, and Zack. I will help watch over Carol and your children as long as God lets me. I look forward to the day we see each other again in Heaven and you will see Emma running up to you wagging her you tail. I will yell ROLLLL TIDE for you at each game they play. You have Blessed my life and when I go back to the Crazy Buffet to enjoy my Chinese food with Emma I will have some for you too. I know you are making everyone in Heaven laugh also. See you again in God's time. Your little brother Bo and little Emma (Emily/Molly) who you called her for the first six months and she still came running to you. Love you and Miss you.

“ On behalf of my Bubba, Momma and I, we want to say THANK YOU to you all. EVERY single txt, FB post, phone calls, and food meant more to our family than you can ever imagine:) The outpouring of love is and was indescribable....It is true agape. While we still mourn our sweet daddy, the live shown to us made it easier. Life will never be the same as we knew it, but it will get better:) Like I've always said, Jesus will carry us like he ALWAYS has!!!! Thanks again and LOVE to all:))

“ We were so sorry to learn of Larry's death. Over the years, he was the one we depended on to take care of any issues that came up with our cars. He always did it with a smile. Many a time, he has come to charge up a dead battery or change a flat tire. When he left Wrights Chevron, no one could ever replace him. Have spoken of him several times over the years and wondered how he was doing. Please accept our deepest sympathy and know you will be in our thoughts and prayers during this difficult time!

“ *I will always have fond memories of Larry. I met him many years ago while working at Spelts and Masters Veterinary Clinic. He was a man truly proud of his family and also truly proud of his pets. He expressed to me how happy he was being retired and "doing a few little things" at the RV park. Larry was always a gentleman and a happy one at that. I will truly miss him as will all the Doctors and employees at Spelts and Masters. I considered him a friend.* Nancy Jackson

“ *This Man will never be forgotten by My Family because he has made such a HUGE impact on all of our lives. He was such a very POSITIVE MAN. There is no way to ever come close to being able to put into words how much we loved him. I am very proud he left this world with his dignity because we had talked many times and I know this was his preference. Without him will be very hard but We are already looking forward to seeing him in Heaven. Now, Larry just once for YOU.....ROLL TIDE ROLL!!!!*

“ *On behalf of my mother, Clara Thompson, who passed away 5 years ago, I'd like to offer my condolences on Larry's passing. Mom knew him from the station and trusted him fully to advise her on issues with her vehicle. Larry was so kind as my Mom grew ill to call and check on her. He was a very kind person. My deepest sympathy for his family during this difficult time.*
