“ *Larry,
I shouldn't call you Larry you're my dad. I miss you so much
everyday, everytime I think of you I just tear up. I need you now
more than I ever have. I really wish you could have easily met Scott
and Lexi. I have been struggling with some stuff for a while now and
don't know who to talk to or how to deal with it. If it's possible, lay a
hand on me and let me know everything will be ok. I love you and
miss you dad
Love your son

“ *Hey Larry. I wanted to tell you that Trevor and Taylor are all grown
up. They are absolutely wonderful. You would be so proud of them. I
wish you could have met Lacy, she is a blessing and I love her so
much. Things are different now that your gone. The family is really
broken. I sure wish you was here. Russell could sure use your ear.
He misses those weekly Butler visits. He has kept your confidence
and you would be proud. Love you, tell daddy hey for me. Grace*

“ Still missing you, it has been 9 years, seems like yesterday. Daddy is gone now, I'm sure you know that. I will love you always. I am so ready now to find someone to share my life with. I pray God will send someone special like you. I was truly blessed to have been able to share your life.

“Daddy, I wanted to tell you about mommas first grandbaby. His name is David Scott McMahon (Scott is after you). He is the cutest little thing and hopefully you have already paid him a visit and sent him a blessing. I also have a slight problem I really need your help with, I dont know why but I have been having terrible anxiety attacks im sure you already know but I need you to ask your new found friend a favor to take it away. You know the pain it has caused us all and it would be great if I had some relief from it and maybe a baby isnt too much right now. I better go but I love you and miss you very much...It just aint the same without you here.

“ Larry - Cary and McKayla miss you so very much. They are at peace knowing that you are with our father in heaven but that doesn't ease their heavy hearts. I hope you hear their prayers at night. I'm glad I had the opportunity to have made you part of our family. Thanks for accepting me into the family with open arms.

“ You were and still are the only dad I will ever have. I miss you more and more as time goes on and it seems it's getting worse. Nobody would have taken the things I put you through growing up and I think you for that. I'm sorry for being a normal teenager and waiting so long to get close to you. I enjoyed the daddy - daughter day we shared recently and I would not trade it for the world. I love you daddy and I'll talk to you again soon.
