“ *I joined this family 47 years ago. Laura B (Mrs. Tarpley) Has been
the best mother-in-law anyone could have ever had. She love me
and anyone one else unconditionally. She was always such a lady.
A real southern lady. There were so many fun years on 3rd street.
She made it a fun place to be. A friend once said she looked like a
dresden doll. She has always had a very special place in my heart
and always will. Now, Mr. Tarpley "Marvin" has his "little fryer" with
him. That was his affectionate term he called her.*
