“ Laurie was always so conscientious and willing to help. Many, many afternoons we worked together typing cue cards for pageants. She would type stage lights and I would type spotlights, etc. Laurie would stay as long as needed to get the job done. She was a precious person. I will always treasure the time this past November when we talked at length in the parking lot at SAMS while Robert was talking to Henry. Linda and Henry, girls and your families, Robert and I will be praying for you. May God's presence and power shelter and uplift you. He is the Great Comforter and our Strong Tower who promised never to leave or forsake us.

“ Linda & Henry,
I remember the day Laurie was born as if it were a few years ago. How scared you both were with this brand new baby and then for her to be born with problems. But she overcame these obstacles and persisted to make a life for herself. What a wonderful test of faith. Mama and I came by the funeral home to sign the book Friday evening around 7 PM since we were out and in town, but the doors were locked. Our thoughts and prayers are with you and the family.

“ Henry & Linda,
I will not be able to attend the funeral, but I wanted you to know that I am praying for you. Both of your daughters were very special and will be remembered. I am sure the sadness is heavy. But we will be here to give support and encouragement in the days ahead.

“ Dear Parrish family,
I am so saddened to hear about the loss of your daughter, Laurie. She and I went to school together at Riverview and reconnected last year through Facebook. She was, without a doubt, one of the sweetest, most caring and encouraging people I have ever known. She will be sorely missed. I am praying for your family and trusting in our Father to comfort you all during this most difficult of times.
Love in Christ,
