“ Albert,
I will always remember Lawrence as "F17" back in the "Good Old Days". We all had a ball, didn't we? My thoughts and prayers are with you, Willie, and all your family. Miss you guys bunches. Lawrence is in a much better place now, and free of pain & sorrow.

“ Jodie and Judy, I am sorry to hear the loss of your Father. He and Herman have a lot of catching up to do. Although I know you will miss him alot - he will always look down and watch over you two young ladies.

God's Garden
God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace be Thine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.
