“ *My condolences to the Sutton Family. I'm sadden at the news of the passing of your son. Especially being the fact that he is the same age as my son who serves in the Army and it could have easily been my son. Steven and my son are around the same age. I am originally from Smithville, GA and graduated from LCHS in the Class of '86.*

My prayer for you is that the Lord continue to Bless you and Bring you comfort in this most difficult time. Thank you to Lance Corporal Sutton for his service and ultimate sacrifice. And the sacrifice you have made as a family. This young man's passing should serve as a testament to all - that freedom is NOT free. It is born through the sweat, tears and sacrifice of the few but benefits the many.

Thank you again and my the Lord Keep and Bless You

“ Steven and my grandson, Sean Scott, played football together at LCHS. Sean would say when he was running the ball, and knew "The Giant" was behind him, he had nothing to worry about. As fierce as he was on the field, he was one of the kindest people I've ever met.

My dad was a Marine 33 years and it takes a special kind of person to make the grade. The phrase "The Few, The Proud" is much more than words.

There are no words to give Stevens family any comfort but this entire community shares your sorrow. Sean was killed in August and I understand the depth of your grief.

LCpl Steven Sutton, thank you for your service. Semper Fidelis

“ *Dear Sutton Family: Words cannot express the pain and sorrow you all are experiencing, yet, I know that the LORD hears our prayers and my prayer for you all is that you find peace and comfort through HIM in the days to come. I have enormous respect for all of our military personnel, especially the MARINES. It was a young 19-year old Marine who helped me out during a tough situation in Iraq and I will never forget the poise, strength and commitment that he exuded. When the marines, soldiers, airmen, and seamen came through our area, my thoughts were with them and the mothers, fathers, wives, husbands, brother, sisters and children that were waiting back home. Rest assured that there were people every step of the way with your precious son, husband and father who were taking care of him as if he were their very own, every step of the way during his journey home to you.*

Steve - thank you for your service to this country - freedom isn't free.

“ Our words cannot stop the tears you have, nor take away the pain of this tragic moment. Know that I, and many like me, can only hold this young man's memory in honor, and extend to his family the greatest of sympathy. Thanks to those of his family who shared him with the rest of us. Semper Fi, Marine!

“ My heart goes out to the family of this young man who was so special to me. I met Steven in Middle School. He was a friend to my son Tommy, and also a frequent visitor to the media center at Lee County Middle School where I work.

I remember his smile and sense of humor always brightened my day. It didn't matter where you saw him, if he knew you, you would get that cute little grin and a friendly hello or some goofy comment. I loved him dearly. When you work with students year after year, theres always some that touch you life in such a way that you never forget them and they become a part of your heart. Steven was the tallest, funniest coolest big guy. After being a military wife for twenty years, you have such a feeling of pride when a young man like this chooses to serve his country and defend our freedom. My heartfelt sympathies go out to you for your loss, but my prayers are that he is with God and that you will find comfort in your precious memories of that wonderful young man.

“ To the Sutton Family, Words cannot express to you the deep gratitude that I have in my heart to Steve. My children went to high school with him, but did not know him closely. More than that, being an Army mom, has brought a whole new life to me. More than ever, I appreciate what our military goes through and the sacrifices they make. Unfortunately, Steve has made the ultimate sacrifice. Please know that you are in my prayers. I am here to support his family! From one military family to another!

“ I taught Steven in second grade at Omega Elementary School. He was such a sweet and mannerly young boy. Always thought a lot of him. I can see him now acting out a little play we did in the room about a bear. So very sorry for your loss. Mrs. Ellen Fritz
