“ *Johnson Family, I would like to offer my deepest sympathy and condolences on your (our) loss of Lee. You can be very proud of his 20 years of service to our country as part of the Marine Logistics Base Albany. The contract inspection that he performed supported many, many Marines and their families. You can also be very proud of his service to our LORD as a Gideon. We never discussed our common bond as brother Gideons, but I can say without a doubt that his part of an organization dedicated to distributing GOD's word throught the world touched lives in ways we simply won't know of this side of heaven. I pray the LORD's blessing on you during this difficult time.*

“ *To the Johnson family - I extend my deepest sympathy to you at this time. I worked with Lee for 19 years at MCLB. He was a good man who loved God, his family, and his friends. I am so happy that Lee is now with his wife, Helen, as he missed her so much. Even though it has been almost 9 years since she passed, he would still sit in my office and talk fondly of her with tears in his eyes. I loved talking with him and heard so many stories about his children, grandchildren, and his church. I will miss him, but I celebrate because I know he's Home.*

“ I worked with Lee at Public Works, Marine Base for several years. Helped him with his home computer in his study when he had problems with his TurboTax program. He was a gentle man who was well liked. Lee's talked about his trips in his RV to visit his family. There was much to learn from his life. I will miss him very much.
