“ *God grant me the serenity to accept the things that I can not change... the courage to change the the things I can and the wisdom to know the difference....Living one day at a time; enjoying one moment at a time...accepting hardship as the pathway to peace. Taking as HE did, this sinful world as it is, not as I would have it. Trusting that HE will make all things right if I surrender to HIS will; that I may be reasonably happy in this life, and supremely happy with HIM forever in the next.....Amen*
