“ *I just learned of Lee Walker's death, and my prayers go out to his parents, and Wayne too. Billy Walker started doing the electrical work on our farm house, retired and passed it on to Lee, who then brought in Wayne to help too. You are a wonderful family who hold a special place in my heart. You are all in my prayers. Bland Cleesattle*

“ *To me, Lee was Superman. I could text him anytime with an electrical issue and he'd figure out a way to help. He always came through and he always kept his word. That's not easy to find, today. I'll miss his smile and I'm saddened to know that he's no longer a text away. I hope his wife and girls can find peace in knowing that he was a great guy through and through.*
