“ OPEN MESSAGE TO THOSE SIGNING THE GUEST BOOK FROM THE FAMILY: Thank you all so very sincerely from the bottom of our hearts for your warm remembrances and kind, consoling words. My mother was an intelligent, loving and caring person. She would be honored to know of your care in return.

The unfortunate impacts of Alzheimer's Disease robbed her of her golden years; taking her away from us at a relatively early age for this day in time. This terrible disease that steals vitality and consciousness from the likes of a school teachers, doctors, lawyers and even presidents. Pray for an end to this terrible disease through medical science advances.

“ Mrs. Gay was my 5th grade teacher back in 1978. I hate to hear of her passing. The teaching profession has lost a crown jewel. I can only hope that my children have teachers like Mrs. Gay with that no nonsense concept- and she had the paddle to back it up! My sympathy to you all.

“ *Leila Ann was my choir mother at First Baptist Church and faithfully accompanied us on many choir related trips. We all loved and respected her. Upon graduation from college I was hired to teach second grade at Mock Road Elementary School. Leila Ann became one of my dearest friends at school. We both arrived early in the mornings and would often spend several minutes talking. She was present at the birth of both of my children. Her kindness and generosity will never be forgotten. Our thoughts are with you all.*
