“ *Ma-Maw,
You will be missed greatly. I know you are free now and with Pa-Pa Ed, Aunt Fran, Aunt Polly, and Grandma again. You really gave it a fight and now you are no longer in pain. We love you and miss you so much and look forward to seeing you again someday.

“ *Dearest Penny and family,
We only heard the news this afternoon as we got to your office. Our love and prayers are for you. Your mother had to have been very proud at person you became. Your smile greets us when we come to the office weekly and you have been there for us when you were trying to keep up with everything else.
One of our greatest blessings is our gift of memory. Cherish each and every memory and know that your mother will always be with you..*

“ Dear Anderson Bunch.

We were so sorry to hear about your mom's passing. Diantha was always so nice to anyone that came around. Diantha sure could keep you kids in line when you all were small. I admired her in that she loved you kids so much. I remember when I was little I took a bike away from Diantha when we lived on second avenue. Diantha ran me down until she took the bike back. Diantha may have been the only girl around all us boys but she could hold her own. I remember seeing Diantha last year when we came home for Dad's (Uncle Rowland) funeral. It was so good to talk to her. So many loving family members have left us to soon. Polly Broome left us way to soon. Polly was finally the sister Diantha never had when she married John. My families thoughts are with you all here in California today. May God Bless you all. Love to you all, Evan, Patricia, Carrie, & Chase Willis

“ I was so saddened when I got the call that your mother had passed away.. I felt she was going to make it but God had other plans.. He wanted his child home with him.. I know you kids are going thru a very hard and emotional time right now but with the grace of God and each other you will make it.. Your mother was my best friend in school and when she married my brother she became my wonderful (and only) sister in law.. I remember when we lived 3 houses from each other on the Denson Road somehow your mother was able to get a copy of the book, Payton Place, which was in our day a very, very naughty book but by today's standards it was tame.. We would hide behind your mother's bedroom door and read it.. WE WERE SO BAD!! HA!
I am going to miss her so much.. All of you are in my prayers.. Love you much.. Aunt Faye

“ I know this is very difficult time for us but just think how wonderful it
must be to be carefree and living with our Heavenly Father... So at
this time I know it is hard to rejoice however we should because
now she is living life the way God meant for life to be... and know
our heavenly father will never leave us or forsake us...
we are all on Borrowed time so when our worldly time has expired
our life begins without our flesh and our spirit lives on in heaven
forever...
I will miss you forever MaMaw, but I know I'll see you again one day,
I love you!

“ To each of you children that Diantha has left behind. She was a wonderful mother and sister in law. The three of us really cherished her even after we went our own ways in life. We too are grief stricken and know each of you are also as well as the brothers and their families left behind. PLEASE, draw together with ALL of your siblings now and for always in love, respect and honor. I know this is what God would have each of you to do. Robby and I will be attending on Wednesday. We pray for each of you and ask that God release all your griefs and sadness and soon. As for Sheryl, she is really going through rough emotional times right now and I know that each of you love her as God as instructed us all to love one another as ourselves. Sorry our recent visits have been under these circumstances but we ALL know that she is now with the Lord where someday, we all hope to be.

Love from Aunt Barbara and Uncle Robby

“ Our thoughts and prayers are with all of Aunt Diantha's children, grandchildren, and brothers. We wish we could be there. It's really hard being so far away from so many that we care about. We take comfort in knowing that Aunt Diantha is now with God, but still miss and love her.

Love,

Vern, Ang, and Isaac
